The Governing Board recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such students to achieve state and district academic standards, the Superintendent or designee shall provide them with full access to the district's educational program and implement strategies identified as necessary for the improvement of the academic achievement of foster youth in the district's local control and accountability plan (LCAP).
