District Expenditures

The statistical information disclosed in this report is obtained from the California Department of Education and the Central Union School District. At the time of publication, this report meets all SARC-related state and federal requirements, using the most current data available. The data to complete the instructional materials and school facilities sections were acquired in September 2014.

2013-14 Annual School Accountability REPORT CATA Published December 2014

Central School

Grades Preschool and Transitional Kindergarten through Eight Nancy Davis, Principal Christina Gonzales, Assistant Principal 15783 18th Avenue, Lemoore, CA 93245 PHONE: (559) 924-7797 • FAX: (559) 924-0919

Principal's Message

Central's students, teachers, parents and community have worked together to make this a reality. The entire staff at Central School is dedicated to educating the "whole child," while at the same time preparing the students for a world of challenging standards. Central is a school that finds strength in its diversity and takes pride in its heritage. The school motto is "Student, Parent, School, Together We Achieve." Central stands by this motto, believing that its students can only achieve to their full potential if there is a partnership between the home and school. If you would like further information on how to get involved in your child's classroom or volunteer at Central, please call the school office at (559) 924-7797.

Mission Statement

Our mission at Central Union Elementary School is to provide a safe school environment, build positive character, celebrate diversity, and support academic excellence.

Central School staff is committed to building and strengthening family and community partnerships for the purpose of student success and enabling students to function as productive and successful citizens in a changing society.

School Profile

Central School, located in Lemoore, takes pride in its diverse student population comprised of grades pre-kindergarten through eight. Students are encouraged to meet the challenges of the present in order to succeed in the future. The cooperative efforts that are exemplified by the staff, students, parents, and community help to ensure the best possible learning environment for the students at Central School. Students are encouraged to reach their highest potential and present themselves in a positive manner.

During the 2013-14 school year, 330 students were enrolled, including 9.7% in special education, 55.8% enrolled in the Free and Reduced-Price Meal program, and 15.5% qualifying for English Language support.

Percentage of Students by Ethnicity/Grade Level 2013-14							
Ethnic Group	%	Grade Level	#				
African American	3.0%	Kindergarten	48				
American Indian or		Grade 1	31				
Alaskan Native	47.3%	Grade 2	25				
Asian	0.3%	Grade 3	43

Two or More Races	0.6%	Total					
		Enrollment	330				

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning - State Priority 1: Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Safety, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement - State Priority 4: Covered in Standardized State Assessments, including the STAR Results and CAASPP charts; Academic Performance Index, including API chart; and Career Technical Education (CTE) Programs (Workforce Preparation), including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes - State Priority 8: Covered in California High School Exit Exam, including the CAHSEE charts; and Physical Fitness, including the Physical Fitness Test chart.

Parental Involvement - State Priority 3: Covered in Parent Involvement.

Pupil Engagement - State Priority 5: Covered in Dropout & Graduation Rate, including Dropout & Graduation Rate and Completion of High School Graduation Requirements charts.

School Climate - State Priority 6: Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Parent Involvement

The parents of Central School students support their children, the school, and the community by helping their children at home with their school work, providing a caring environment, and by attending conferences, programs, and athletic and academic events. The many parent volunteers at school serve as classroom helpers, assist with fundraisers, and organize school activities. Parents may serve on decision-making committees such as the School Site Council (SSC), District Advisory Council (DAC), English Learner Advisory Council (ELAC), District English Learner Advisory Council (DELAC), Migrant Committee, and Indian Education Committee (IEC). The Parent-Teacher Club provides funds and support for assemblies, uniforms, playground equipment, school carnivals, and many other extra benefits for the school and its students.

Central School established a School Advisory Council in accordance with Economic Impact Aid funding requirements. This governing body is comprised of elected parents and school staff members. Council members are responsible for providing input into the development of the school plan. The School Advisory Council may and has elected to relinquish its duties to the School Site Council.

Central School staff encourage parents to get involved in their child's educational experience. All volunteers must attend a mandatory District-sponsored training workshop and obtain a background clearance. Those parents who wish to volunteer their time and talents or would like more information may contact Scott Chennault at (559) 924-3405.

School Communications

School-to-home communication regarding school activities, special events, and student progress is achieved through multiple resources and is provided in both English and Spanish. A weekly calendar of school activities is sent home with students. School Messenger, an Internet-based telephone messaging system, is used to quickly forward important messages (in English and Spanish) from school staff to each student's home. Flyers are occasionally distributed regarding special events or announcements. The Firm, Fair & Consistent newsletter is sent home monthly and features valuable guidance concerning student discipline and academics.

Progress reports for at-risk students in grades K-3 are hand carried home by students, and progress reports for grades 4-8 are mailed to students' homes mid-trimester. At the end of each trimester, report cards for grades 4-8 are mailed to students' homes, and report cards for grades K-3 are sent home with students. Periodically when necessary, teachers may prepare informal progress reports on student performance for parent review.

STAR Results									
All Students									
Percentage of Students Scoring at Proficient and Advanced Levels									
	Cei	Central School		CUSD			CA		
	10-11	11-12	12-13	10-11	11-12	12-13	11-12	12-13	13-14
English-Language Arts	36	33	29	61	59	59	54	56	55
Math	51	38	31	64	60	62	49	50	50
History	24	13	58	55	47	45	48	49	49

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Achievement

District Benchmark Assessments

Central Union School District administers its own set of comprehensive assessments to all K-5 students to determine individual levels of academic proficiency in reading, writing and math. Teachers for students in grades 3-5 develop formative assessments for both language arts and math evaluation once each trimester. Students in grades 6-8 participate in reading, writing, math, history, and science benchmark assessments. Each assessment is aligned to District and state content standards and are given at the end of each trimester.

Assessment results are shared with teachers and District administration to evaluate the effectiveness of the curriculum and identify students who may need additional academic intervention. Individual student results are shared at parent conferences and mailed to each student's home. Teachers share assessment results with students in grades 3-8 to increase the student's awareness of his/her academic progress and to establish common individual goals.

Standardized State Assessments

Students at Central School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Central School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CAPA science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's web site http://star.cde.ca.gov.

California Standards Tests (CST)

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards. The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels on the CST exam. Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website http://star.cde.ca.gov.

Academic Performance Index

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement.

The API measures academic performance and growth of California's schools based on a numeric scale ranging from a low 200 to a high 1000. Academic growth is measured by subtracting the base year API from the growth API. API growth scores are based upon the results of state standardized tests. Schools that do not meet or exceed their growth targets and are ranked in the bottom half of the statewide distribution may qualify for intervention program funding. Each annual API reporting cycle includes two reports: a base report, which is released after the first of the calendar year, and a growth report, which is released after school starts in the fall. These reports are based on APIs calculated in exactly the same fashion with the same indicators but using test results from two different years.

California Assessment of Student Performance and **Progress/Standardized Testing and Reporting All Students** Percentage of Students Scoring at Proficient and Advanced Levels Central School CA 11-12 12-13 13-14 11-12 12-13 13-14 11-12 12-13 13-14 Science 19 25 68 62 61 60 59 60

American Indian or Alaskan Native	4	-21	-44			
Asian						
Filipino						
Hispanic or Latino	48	-26	7			
Hawaiian or Pacific Islander						
White (not Hispanic)						
Two or More Races						
Other Subgroups						
Economically Disadvantaged	17	-36	-21			
English Learners Students with Disabilities						

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced. "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

The API table in this report highlights Central School's progress over the past three years. To maintain confidentiality, results are reported for numerically significant subgroups only. Numerically significant subgroups are comprised of (1) at least 100 students with valid test scores or (2) at least 50 valid scores comprising at least 15% of the valid test scores.

Adequate Yearly Progress

The Federal No Ćhild Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle unified school schools and districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) web site www.cde.ca.gov/nclb/ and the U.S. Department of Education's web site www.ed.gov/ nclb/accountability/.

Adequate Yearly Progress Results Reported by Indicator and Compared to District Performance 2013-14

Did the school and district meet or exceed 2014 AYP performance criteria in each of the areas listed below?

	Central

Met Out of the Total
Number of Criteria Possible

A "*" means that the school or LEA did not receive a 2014 AYP Report. For 2014, only schools and LEAs identified as a "high school" or "high school LEA" are in receipt of AYP Reports.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. During the 2013-14 school year, Central School did not participate in the Title I program, therefore the school is not subject to comply with Title I program requirements.

Title I PI Status 2014-15							
	Central School	CUSD					
PI Status First Year of PI Implementation	Not in PI N/A	In PI 2013-14					
Year in PI # Schools Currently In PI % Schools Currently In PI	N/A	Year 1 1 25.0%					

Note: Cells with N/A values do not require data.
*DW (Determination Waiver) indicates that the PI
status of the school was carried over from the prior
year in accordance with the flexibility granted through
the federal waiver process.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Physical Fitness

In the spring of each year, Central School is required by the state to administer a physical fitness test to all students in grades five and seven. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14						
	Number of Standards Met: 4 of 6 5 of 6 6 of 6					
Grade(s) Tested Fifth Seventh	22.2% 13.8%	11.1% 24.1%	11.1% 17.2%			

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. the "healthy fitness zone." Comparative District and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

School Facilities & Safety

Central School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. "Think Safety" is the District Safety Committee's primary goal. Comprised of one administrator and one custodian from each school site, the committee supervises school inspections and focuses on issues to prevent and reduce accidents.

Campus Description							
Year Built	1942						
Acreage	9.92 ac						
Bldg. Square Footage	31,540 sq. ft.

Teacher Work Room	1						

2013-14 Campus Improvement Projects:

- Addition of two new overhead structures to bus area and snack shack
- Installation of a patio for 6th and 8th grade students
- Purchase of additional iPads for grades 3-8

2014-15 Planned Campus Improvement Projects:

- Addition of new playground equipment in kinder area
- Repair tiles in cafeteria
- Repairs to sidewalk

- Replace door hardware throughout the school
- Addition of new perimeter fencing around campus
- Addition of iPad mobile carts for grades K-2

School Inspections

Central School works closely with the District's maintenance department for larger projects that may require third party contractors, routine facilities maintenance projects, special projects, and school inspections. The most recent facilities inspection at Central School took place on August 4, 2014. During the 2013-14 school year, 100% of student restrooms were fully operational and available for student use at all times.

Campus Supervision

When students arrive on campus in the morning, yard duty supervisors oversee students on the playground, in the cafeteria while breakfast is served, and at both student and bus drop-off areas. Students who were unable to receive breakfast in the morning before school, are given the opportunity to receive breakfast at mid-morning (grades K-5 are scheduled at 9:40 a.m. and grades 6-8 are scheduled at 10:11 a.m.). Supervision of students receiving "Second Chance Breakfast" are supervised by one instructional aide in the multipurpose room.

Hall and playground monitors supervise playground activities during recess. Lunchtime activities are supervised by instructional aides in the cafeteria and on the playground. At the end of the day, all teachers escort students to the bus loading area and an instructional aide is assigned to that area until the bus departs to monitor departure activities. Two instructional aides for grades K-5 and one instructional aide from grades 6-8 escort students to the student pickup area and remain in the student pickup area up to monitor departure activities. All instructional aides and yard duty supervisors are provided a handbook which outlines Central School's general supervision, safety, first aid, and progressive discipline procedures.

Central School provides a two-way radio to the lead individuals supervising students on the playground to quickly facilitate both routine and urgent communications. School grounds

are surrounded by perimeter fencing with a single, gated entrance. All visitors are required to check in at the school office upon arrival and departure.

The student handbook outlines school policies and procedures concerning emergency situations, school bus safety, playground behavior, first aid, illness, health issues, and special services. Earthquake preparedness and drop drills are conducted once each trimester; fire drills are held once a month.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Central School in collaboration with local agencies and District administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and department from school, sexual harassment policy, dress code policy, and bully prevention policy. The most current school site safety plan was reviewed, updated, and shared with school staff in August 2014 at a staff meeting. An updated copy of the school site safety plan is available to the public at the Central Union School District office and the school site.

Campus Maintenance

Site custodial staff and the District's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. One full-time day custodian and a team of evening custodians are assigned to Central School and work closely with the principal for routine maintenance, daily custodial duties, and special events. Custodians are required to follow a maintenance schedule and checklist approved by the principal and lead day custodian, who meet weekly to discuss school facilities/ maintenance issues and conduct a walk-through inspection to identify housekeeping needs or projects that need to be addressed. Once a month, the lead custodian holds a staff meeting with the rest of the custodians to discuss campus maintenance issues.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Any graffiti or signs of vandalism are removed prior to students arriving to school. Throughout the day during school hours, restrooms are checked for cleanliness and cleaned as needed after morning and lunch recesses. The day custodian's primary responsibilities include cleaning the cafeteria thoroughly after breakfast and lunch are served, cleaning restrooms during school hours, and addressing classroom needs. The evening custodians are responsible for comprehensive cleaning of classrooms and restrooms.

The District's maintenance department employs a work order process that enables Central School to communicate maintenance needs. Teachers and staff of Central School communicate safety issues and general maintenance needs directly with the site custodial team through written requests (work orders). Requests are typically fulfilled within one to two working days. The

day custodian is qualified and equipped to handle most minor repairs that the school requires. Emergency situations are regularly resolved in one hour or less by school or District custodial staff, based upon the nature of the situation.

Deferred Maintenance

Central Union School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Central School did not receive any deferred maintenance funds.

Note: The California Department of Education requires the most recent information to be provided regarding school safety and facilities; data collected and disclosed in this report regarding school safety and facilities was acquired in September 2014.

Classroom Environment

Discipline & Climate for Learning

The Central Union School District *Student Conduct Code* outlines expected student behavior and consequences for inappropriate behavior. Central School staff have adopted the behavioral component of the Response to Intervention model to guide practices and strategies in managing student behavior.

At the beginning of the school year, each student receives their own student handbook which includes the *Student Conduct Code*. Teachers review the student handbook in the classroom during the first week of school. The Student Conduct Code and student handbook are also available on the District's website. In the middle of the school year, discipline assemblies are held to review school rules and behavior expectations. Deputy Ellis visits the campus daily and visits each classroom monthly to discuss Character Counts traits and the importance of being a good citizen and making good choices.

Suspensions and Expulsions									
	Central School			Central School CUSD			CA		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Suspensions (#)	57	63	70	130	138	120	366629	329370	279383
Expulsions (#)	3	6	8	5	11	8	9553	8266	6611

Throughout the year, school rules and policies are communicated as necessary at parent conferences, in morning announcements, and in the weekly calendar. Appropriate classroom and playground behavior is encouraged daily through praise and motivational incentives, assertive discipline, and conflict resolution strategies to further develop personal growth. Through the Character Counts program, students learn about the Six Pillars of Character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. Teachers explain and discuss each of the traits monthly as a thematic unit, integrating character education lessons into the standard academic curriculum.

The principal and support services staff work in close collaboration with teaching staff and parents as an early intervention strategy in minimizing poor behavior patterns. Students who are experiencing difficulties in the classroom are temporarily placed in another teacher's class to regain his/her composure and reflect upon unacceptable behavior. Before a student is referred to an administrator for behavior intervention, the teacher places a phone call to the student's parent(s) to discuss unacceptable behaviors and corrective action.

Students may complete an "incident report" at any time to report unacceptable behavior of another student to the principal for adult intervention. The District's Safe School Campaign encourages students to notify school or District personnel of any instances of bullying, harassment, discrimination, vandalism, drug abuse, and other destructive behaviors. Students and parents may submit anonymous letters/notifications through links on the District's home page at www. central.k12.ca.us.

During the 2014-15 school year, the District Counselor will be visiting Central School on a biweekly basis to assist in developing and implementing the anti-bullying program throughout all grades at the school site.

Central School is in its third year of implementing the Positive Behavior Interventions and Support program. The program creates a common language among students and staff to create a model of what appropriate behavior looks like. As a component of the program, students participate in one week of playground training. Students are introduced to the rules and expected behavior for each playground activity. Throughout the year as needed, students may participate in "training days" as a reminder of what is and is not acceptable behavior on the playground.

Recess activities are structured and students play games with students within their own grade level. Based upon behavior choices, students participate in either Free Choice Recess or Structured Recess. Students having difficulties making good choices may be assigned to the Wolf Training Room (grades K-3); activities are aimed at helping students explore their behavior choices through engaging instruction, hands-on activities, and discussions. Wolf Den is a reward

recess activity for fourth and fifth grade students. Students who feel good about themselves and given the opportunity to receive recognition for their achievements are more likely to perform well academically and socially. At monthly award programs, one student is selected from each class to receive special recognition for demonstrating one of the six character traits of the Character Counts program. K-5 recipients receive lunch with the principal in the cafeteria, and 6-8 students enjoy pizza with the principal, teachers, and parents or a friend. Math Wizard awards are presented to qualifying students in grades 1-8. Students who increase their GPA (grade point average) by .5 in a trimester are formally recognized for their achievements (grades 6-8).

Throughout the year, students who achieve academic goals are recognized at monthly presentations. Each grade level determines the method to recognize and distribute awards. In the fall, students are recognized for outstanding performance on the STAR exam. Monthly honors include Student of the Month, Honor Roll, Principal's List, Attendance Awards, Character Counts, and weekly Accelerated Reader awards. At the end of the year, Gold Academic Awards, Silver Academic Awards, Attendance Awards, and Physical Fitness Awards are presented to qualifying students.

Extracurricular & Enrichment Activities

Students are encouraged to participate in the school's enrichment and extracurricular activities that promote positive attitudes and encourage achievement. Extracurricular and enrichment programs include:

- ASES Extended Day Program (Gr. K-3)
- GATE (Gr. 6-8)
- Honor Bell Choir (Gr. 6-8)
- Honor Trip (Gr. 6-8)
- Spelling Bee (Gr. 1-8)
- Student Council (Gr. 7-8)

The school's athletic programs promote individual and team-oriented achievement through school-sponsored teams and intramural sports programs. Intramural sports are a component of the physical education curriculum.

- Baseball (Gr. 6-8)
- Basketball (Gr. 6-8)
- Flag Football (Gr. 6-8)
- Softball (Gr. 6-8)
- Track (Gr. 6-8)
- Volleyball (Gr. 6-8)

Homework

Homework is a fundamental part of the learning process which helps students develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas. Each teacher determines the appropriate measure of homework for his or her students.

Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and be responsible for reviewing homework assignments with their child.

Class Size

The following Class Size Distribution and Teaching Load tables illustrate the distribution of class sizes by grade level and subject area, the average class size for each, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

School Attendance

Regular attendance is a necessary part of the learning process, critical to academic success and a priority at Central School. "We truly believe that missing school is missing out." Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. The school

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.

monitors student attendance very closely and reports excessive unexcused absences to designated authorities, including the District's School Attendance Review Board (SARB). During the 2013-14 school year, the actual attendance rate for all grade levels for Central School was 95.9%.

As part of the SARB process and to ensure academic success for students attending Central School and living in the Rancheria's community, representatives from the Santa Rosa Rancheria visit the campus daily. Representatives collaborate with students' teachers to obtain weekly attendance records and grades, and then meet individually with each student's parents to discuss student progress, academic grades, and attendance. A solid, sound education is highly valued and supported by the Rancheria's community.

Central School reinforces positive attendance through a variety of incentive programs which reward students individually and as a group.

- A schoolwide attendance rate of 98% earns students a "play day" (trimester)
- Classrooms with 100% attendance for ten consecutive days are rewarded with a popsicle for every student
- Classrooms with the highest attendance for the month earn the privilege to display the "attendance banner" and enjoy a pizza party
- Students with perfect attendance for the trimester are invited to participate in a special organized activity

Curriculum & Instruction

Instructional Materials

The state aligns textbooks, frameworks, instructional materials meet to Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption.

On September 8, 2014, the Central Union School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English Learners, in the District. The Board of Trustees adopted Resolution #O-09-08-2014 which certifies, as required by Education Code section 60119, that (1) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in the math, science, science, English/language history-social arts, health* (*as a component of the science curriculum), and visual and performing arts.

Note: Central Union School District is not subject to certifying instructional materials acquisition for foreign language courses, health courses, and lab science equipment typically offered in grades 9-12. The California Department of Education requires the most recent information to be provided regarding textbooks and instructional materials, data collected and disclosed in this report regarding instructional materials were acquired in September 2014.

Staff Development

Central Union School District and its four school sites combine efforts to provide training and curriculum development based on the Common Core State Standards (CCSS) and are aligned with the content of the curriculum frameworks for grades kindergarten through

eight. Teachers within the District align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Over a five-year period, beginning with the 2010-11 school year, Central Union School District is making great strides to align instructional programs with Common Core State Standards and prepare for full implementation by June 2015. District administration has developed a comprehensive plan to develop leadership teams, train teachers, update instructional resources, and implement standards-based changes to:

- Math Frameworks and Adoptions
- · Language Arts Frameworks and Adoptions
- Writing Frameworks
- Student Assessment
- English Learner Strategies & Techniques

The writing and implementation of Central Union School District's curriculum is an ongoing process, designed to meet the changing needs in the areas of instructional improvement, implementation of state standards, and adoption of instructional materials. Teachers and administrators at each school site serve on curriculum committees. The committees review the state standards and frameworks, establish benchmarks and expectations in specific subject areas, develop benchmark tests, determine staff development needs, analyze test results, prompt grade level collaboration, select textbooks and supplementary teaching materials, and reviews 21st century learning.

Throughout the 2013-14 year, the District supported eight afternoon staff development sessions; teachers from each school participated in staff development activities based upon the District's instructional focus areas.

2013-14 Afternoon Staff Training

- Examination of SBAC Assessment Demands
- Instructional Shifts based on SBAC Demands
- Introduction to Webb's DOK, Rigor and Relevance Framework, and FCOE Lesson Design Template
- Common Core State Standards ELA
- Model Appropriate use of Technology in our Lessons
- · Matching the Technology to the Purpose
- Creating Common Formative Assessments
- How to Embed Technology into Instruction: Google Docs, Turning Technologies
- Foundational Shifts & CCSS Lessons
- Lesson Design with CCSS as the Foundation
- Essential Questions
- · Adapting Existing Curricula and Unit Design
- Language and Content Objectives
- ELA Model Lesson
- Real-World Purposes for Writing
- Strategies & Structures for Academic Conversations

Site-based conferences are held to discuss the quality of instruction and to provide suggestions for teachers to improve classroom practices based upon evaluation of student performance data. Certificated staff attend workshops, conferences, and training programs offered by neighboring districts, county offices of education, and professional consultants. External training activities enable access to research-based

strategies relative to individual areas of expertise and responsibility. Participation in third-party training during the 2013-14 school year reinforced Districtwide concentration in developing effective instructional strategies, common core standards development, technology integration, and student assessment.

Instructional aides receive training in instructional strategies to assist students with reading skills improvement, First Aide/ and Reading Mastery. Classified staff acquire job-related training through inhouse sponsored workshops provided by department supervisors or product vendors. New teachers (new to the District or new to teaching) receive intensive support and training through the county BTSA (Beginning Teacher Support and Assessment) program. For beginning teachers and new teachers recruited from out-of-state, BTSA provides support and skill-building through formative assessment and individualized support based on assessment.

Site-Based Staff Training

During the 2013-14 school year, Central School's individual training efforts focused on:

- Common Core Standards-English Language Arts
- Instructional Rounds
- Instructional Strategies
- Positive Behavior Interventions and Support
- Student Engagement Strategies
- Strategic Intervention Planning

Professional Staff

Teacher Assignment

Central School recruits and employs highly qualified credentialed teachers. For the 2013-14 school year, the school had 19 fully credentialed teachers. In many instances, teachers supplement their regular credential with a special education credential or a credential to teach English Language Learners. All teachers assigned outside their teaching credential area have completed appropriate coursework or training in the subject(s) that they are assigned to teach. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

The following table identifies the number of classrooms taught and not taught by NCLB compliant teachers. High poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality web page at www.cde.ca.gov/nclb/sr/tq/.

Teacher Credential	s and A	Aeeian	ments			
reacher Greathhair	Central School			CUSD		
	12-13	13-14	14-15	12-13	13-14	14-15
Total Teachers	18	19	17	92	95	95
Teachers with Full Credential	18	19	17	92	95	95
Teachers without Full Credential	0	0	0	0	0	0
Teachers Teaching Outside Subject Area (with full credential)	0	0	0	0	0	0
Teacher Misassignments for English Learners	0	0	0	0	0	0
Total Teacher Misassignments*	0	0	0	0	0	0
Teacher Vacancies	0	0	1	0	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. *Total teacher misassignments includes the number of misassignments of teachers of English learners.

NCLB Compliance Percentage of Classes in Core Academic Subjects:				
	Taught by NCLB- Compliant Teachers	Teachers		
Central School	100%	0%		
District Totals				
All Schools	100%	0%		
High-Poverty Schools	100%	0%		
Low-Poverty Schools	0%	0%		

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

Counselors and Support Personnel (Nonteaching Professional Staff) 2013-14

Counseling & Support Services Staff

It is the goal of Central School to assist students in their social and personal development as well as academics. The school provides special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making or handling peer pressure. Diagnostic and prescriptive teachings, the resource specialist program, counseling by a teacher, and involvement of outside agencies when necessary are available and utilized for Central School students who need this type of assistance. Parents are involved in all of these processes and are kept fully informed of their child's progress.

District Expenditures

Expenditures Per Student

For the 2012-13 school year, Central Union School District spent an average of \$10,232 to educate each student (Current Expense of Education per ADA, based on 2012-13 audited financial statements and calculated in accordance with Ed Code 41372). The table below 1) compares the school's per pupil expenditures from unrestricted (basic) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the District and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/ cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Current Expense of Education Per Pupil 2012-13					
	Dollars Spent Per Student				
Expenditures Per Pupil	Central School	CUSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted Restricted (Supplemental) Unrestricted (Basic) Average Teacher Salary	8,468 1,157 7,311 66,761	N/A N/A 6,656 74,565	N/A N/A 109.8% 89.5%	N/A N/A 4,690 67,289	N/A N/A 155.9% 99.2%

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Central Union School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the District received federal, state, and local aid for the following categorical, special education, and support programs:

- Economic Impact Aid
- Education Protection Account
- Indian Education
- · Lottery: Instructional Materials

- Medi-cal Billing Option
- Other Federal Funds
- · Other Local: Locally Defined
- Special Education
- State Lottery
- Title I, II, III
- Transportation

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

Salary Comparison 2012-13				
	CUSD	State Average of Districts in Same Category		
Beginning Teacher Salary	45,010	41,535		
Mid-Range Teacher Salary	70,514	64,101		
Highest Teacher Salary Average Principal Salaries:	87,351	82,044		
Elementary School	106,784	104,336		
Superintendent Salary	125,500	155,309		
Percentage of Budget For:				
Teacher Salaries	40	41		
Administrative Salaries	8	6		

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

SARC Data & Internet Access

DataQuest

DataQuest is an online data tool located at http://dq.cde.ca.gov/dataquest/ that contains additional information about Central School and comparisons of the school to the District, the county, and the state. DataQuest provides reports for school accountability including but not limited to API, AYP, STAR results, enrollment, and staffing.

Public Internet Access Location

Parents may access Central School's SARC and access the Internet at the Stratford Family Resource Center, the Central School Library, and any of the county's public libraries. The closest library to Central School is Lemoore Branch Library located at 457 "C" Street, Lemoore.
