

Central Union Elementary School District Board Policy

BP 5123(a)

Students

PROMOTION/ACCELERATION/RETENTION

The Governing Board expects students to progress through each grade within one school year. To accomplish this, instruction should accommodate the varying interests and growth patterns of individual students and include strategies for addressing academic deficiencies when needed.

Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

(cf. 6011 - Academic Standards)

(cf. 6146.5 - Elementary School Promotion/Benchmark Standards)

When high academic achievement is evident, the Superintendent or designee may recommend a student for acceleration into a higher grade level. The student's social and emotional growth shall be taken into consideration in making a determination to accelerate a student.

As early as possible in the school year and in students' school careers, the Superintendent or designee shall identify students who should be retained and who are at risk of being retained in accordance with law, Board policy, administrative regulation and the following criteria:

Students shall be identified on the basis of grades and the Central Union School District's Benchmark Assessments.

When a student is recommended for retention or is identified as being at risk for retention, the Superintendent or designee shall provide opportunities for remedial instruction to assist the student in overcoming his/her academic deficiencies. Such opportunities may include but are not limited to tutorial programs, after-school programs, summer school programs and/or the establishment of a student study team.
