4. Local Control and Accountability Plan (LCAP) Update & Parent Engagement

Speaker: Cindy R. (CUESD)

Encouraged us to watch the video (attached in packets); academic indicators, local indicators (collected data), 2yrs of data needs to be visible to see anything in the dashboard, in this it shows data, measures, and reports; Ex: absenteeism

Identified for students w/ disabilities, Indian students, foster youth, school suspension rate, chronic absenteeism and suspension rate.

ATSI >>

We need additional support and improvement for particular students: Students w/ disabilities and Native American Students

The criteria for ATSI:

1. Lowest level indicator; can be one, two or three.
2. Lowest status level but at least one indicator not at the lowest level.

A.Gonzales asked for the time frame of these indicators being overlooked.

- The time frame for the indicators are based of last year's data.

2021 to 2024 >>

We're in year 2 of a 3-yr plan. Usually after the 1st year, there have been adjustments made to utilize the time to ensure the suggests plans/goals are working.

Goal 1 – conditions for learning

Goal 2 – engagement

Goal 3 – achievement

CCI >>

Goal 1 – 3 in slides (IEC activity: everyone jotted things down on their own sheet that was provided.)

Instructional material is available to all students.

This year's numbers are much better than last year, this shows that goals are being met.

Expulsion rate and local measures – there was a change in the parent/student survey and asked a lot more questions than usual.

- There are opportunities for students to have a 9-hour school day.
- There are opportunities for students to stay before/after school
- Saturday school

- Summer school

English language assistance and Instructional Aide's are available to students.

Parent: Tonya Williams expressed to have teach more cultural lessons.

Parent: Joseph Gonzales shared a concern of the learning.

Ex: Mission assignment

Parent: Donzia shared that hands-on projects are good to do. Starting a slideshow from beginning to end.

They pick the title activity

Parent: Tino added an "inspirational person/topic"

Parent: Donzia shared family input or doing a project as a family.

Speaker: Chuck (LUHSD)

LHS & Jamison also qualified for assistance w/ ATSI

Jamison, for 4 years, has a part of the LCAP (on LHS Site)

Provided a sheet w/ the expenditures for mid-year supplement; a break-down of where the monies go and into which goal they are coming from (goals 1, 2, & 3)

The overall LCAP budget is \$4M; it is broken down from funding to percentages taken within that budget line item, or goal.

- Goal 1 – CTE Pathways, AVID, Performing Arts
- Goal 2 – Saturday school, credit recovery & summer school, intervention counselor (Jamison)
- Goal 3 – campus supervision, buildings

Bridge Program – available to 8th grade students from Central (incoming Freshman) coming up.

5. Promotion Retention Policies / CUESD & LUHSD

Speaker: Loretta B. (Central)

Packet provided

Speaker: Chuck (LHS)

No really any retentions in the 9th grade, if they get behind there are alternatives; Jamison, Lemoore Online

6. Expanded Learning Opportunity Program (ELOP)

Foster youth students, EL students are invited for the summer and will have meals covered.

Speaker: Valeria B. (Jamison)

Same as Central.

8. School Accountability Report Card (SARC)

Speaker: Loretta B. (CUESD)

10. Title VI Funding for Native American Students

a. Report given by LUHSD Representative

Speaker: Chuck (LHS)
Went over 2022-2023 budget expenditures
Personnel: Noted that Nataly let him know that those students taking advantage of the program are passing, doing well.
Supplies:
Other Expenditures: Central working on a Math Intervention. They have \$18k to utilize.
Indirect Cost: \$2k to use.
Total Budget: \$65k

Speaker: Danny L.
In supplies we get all the students their backpacks and supplies for the new school year.

b. Review, discuss, and approve as needed

11. Johnson-O-Malley (JOM) Funding for Native American Students

a. Needs assessment

Speaker: Loretta B
Needs assessment to come during Spring to help with where the monies will be utilized.
11,966 anticipating on receiving
2,025 will be used for professional development
Speaker: A. Gonzales (CUESD)
There are monies being used, now

Loretta let A.Gonzales know that these are "new" funds coming in, not what is being used now.

Speaker: C. Gonzalez
Need to be on the same form, not on different forms so monies don't get placed elsewhere or used without knowledge of the other school using.

Speaker: Chuck
Need to change the forms to be the same as all other schools. We need to resolve this, the 506 funding does cover Elementary school too. Having two forms, is too much work to fill out.

Speaker: Danny L.
Waiting on a clear answer

Speaker: Chuck
Waiting on a clear confirmation on how to move forward with the forms from now on.

Speaker: Loretta B

The assessment forms will be out soon

Speaker: Parent, Tonya W.

What are these monies used for Danny?

Speaker: Danny L.

Tutoring

A. Gonzales chimed in, let her know that monies from late-October, hired 3 instructional aides, to help give extra support from 2:25-3pm. There were 6 on a list for Tri.1 w/ issues and concerns. From that analysis, two of the 6 students are no longer needing assistance. This strategy is working.

Speaker: Danny L

Maybe with a survey we have parents input

b. Budget – Update, Review, Discuss, and Approval as needed
